

## Climate Stick Clubs Support Form

We support Climate Stick Clubs in as many high schools and colleges in the United States and Canada as possible, thus building the mass movement to end carbon burning carbon.

The Students of \_\_\_\_\_ in \_\_\_\_\_  
Club or Group Name City, State and Country (USA or CA)

will support the Climate Stick by doing these three distinct activities to the break the Cone of Silence around the issue of climate change:

1. Wear the Climate Stick to show you are a member of the mass movement to end the burning of carbon
2. Create and tell your Climate Story widely, to friends and family and to elected officials
3. Place your name on the Supporters page of the Climate Stick website

The following three co-chairs of the club or group also pledge to make sure that for the next school year there will be a Climate Stick Club, and that the activities of the Club will be based on science and done with kindness and responsible action.
