

Donation by Important Work

This paper form is similar to the on-line sign up form to become a Supporter of the Climate Stick.

For many people, especially younger people, making a cash contribution is difficult. If you fill in this form and send it to us we will send you 12 Climate Sticks. We hope as you give them to people that you will find some who will make a contribution.

Please Choose Your Role (check one)

Climate Stick Supporter will develop a climate story (most probably with a Climate Stick to assist), wear the Climate Stick, Donate and attend Climate Stick events when possible.

Climate Stick Fellow will do all-of-the above plus assume responsibility for additional activities to reach our goal.

Public Display of Your Name (your name will appear after we receive notice (this form) that you have received the 12 Climate Sticks we are sending).

It is our hope that you will allow your name to appear as a Climate Stick Supporter (and member of the mass movement to support the transition to sustainable energy and to end the burning of carbon) or as a Climate Stick Fellow. We know that for some people going public can be difficult so we ask you to indicate if your name can be displayed on our web-site (check one).

I am willing to have my name be public as I do things for the Climate Stick Project.
