

Donations by Check for the Climate Stick Project

This paper form is similar to the on-line sign up form to become a Supporter of the Climate Stick.

Please Choose Your Role (check one)

Climate Stick Supporter will develop a climate story (most probably with a Climate Stick to assist), wear the Climate Stick, Donate and attend Climate Stick events when possible.

Climate Stick Fellow will do all-of-the above plus be willing to do additional legal activities to reach our goal.

Public Display of Your Name

It is our hope that you will allow your name to appear as a Climate Stick Supporter (and member of the mass movement to support the transition to sustainable energy and to end the burning of carbon) or as a Climate Stick Fellow. We know that for some people going public can be difficult so we ask you to indicate if your name can be displayed on our web-site (check one).

I am willing to have my name be public as I do things for the Climate Stick Project.

I am not willing to have my name be public as I do things work for the Climate Stick Project

While this paper sign-up sheet includes your address, phone and email, none of these will be displayed on our web-site, only your Name, Role, Country, City, State, and Zip Code will be displayed.
